Dennis Donovan Band

Elegant and Professional Wedding Band -
A Great Band for your Wedding or Party

Donovan Music specializes in weddings and company parties. For over fifteen years, we have featured a wide variety of music: Current music, 70s, & 80s, Disco, Funk, Soul, R&B, Motown, Top 40, 50s & 60s Oldies, Pop Vocals, Country, Big Band, Swing, and Special Requests. You choose from our extensive songlist. We also play Jazz and Bossa Novas.

Our five-member band includes: saxophone, flute, clarinet and guitar; keyboards (piano and organ), bass, drums and female vocalist. The musicians all sing as well. We play a mix of music for people of all ages. We keep the focus on the Bride and Groom, not on ourselves. We will act as MC, coordinating with your Caterer and Photographer to guide the flow of events for your party. We also provide a mic to allow your guests to make toasts or speeches.

Here's what you can expect from Donovan Music. Our musicians always arrive on time, dressed appropriately and happy to play requests. Your family, friends and invited guests will be able to dance to continuous music without intermissions. And we'll keep the mood upbeat and happy by playing the ideal mix or music for people of all ages.

We use state-of-the-art, professional sound and lighting equipment. The band sets up about an hour before scheduled starting time. We match the selection of music and volume to the mood of your guests, from ambient background music to full tilt dancing. We also have a larger band with three vocalists and a complete horn section, for larger weddings, parties and special events.

Additional Services: We also offer Classical Singers for your Wedding Ceremony, or Solo Musicians: Guitar, Piano, Organ, Trumpet, and our Flute & Guitar Duo, Classical Trio, or String Quartets for Rehearsal Dinners and Wedding Receptions.

You can schedule an appointment in our San Francisco office for a complimentary wedding music consultation.
